**ORDER SUMMARILY
SUSPENDING LICENSE**

Pursuant to G.S. 150B-3(c), the North Carolina State Board of Dental Examiners (Board) finds that the public health, safety or welfare requires emergency action and hereby summarily suspends License Number 8969 issued to Mildred H. Delgado, RDH (Respondent), effective upon service of this Order. This action is being taken based on Respondent's admission that she obtained narcotic prescriptions written in the names of others for her personal use. Respondent admitted that she was using these narcotics to supplement narcotic prescriptions written to her by her medical doctor for chronic back pain and that she had developed a problem with prescription medication.

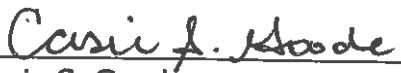

Based on the information received, the Board finds and concludes that Respondent constitutes a threat to the public health, safety or welfare, requiring the prompt suspension of her license. Therefore, Respondent shall immediately cease the practice of dental hygiene in North Carolina and surrender her license and current renewal certificate pending further order of the Board.

Formal proceedings in this matter will be commenced and determined promptly if Respondent submits a written request for a formal hearing to the Board. Absent such a written request, a formal hearing will be scheduled as soon as practicable. Respondent

will be served with a Notice of Hearing containing the allegations to be heard in accordance with G.S. 150B-38(b). If Respondent does not keep the Board informed of her current address or otherwise cannot be served with a Notice of Hearing, the suspension of her license shall remain in effect indefinitely.

This the 6th day of March, 2017.
