**ORDER SUMMARILY
SUSPENDING LICENSE**

Pursuant to G.S. 150B-3(c), the North Carolina State Board of Dental Examiners (Board) finds that the public health, safety and welfare requires emergency action and hereby summarily suspends License Number 5607 issued to Wendolyn M. Mauck, R.D.H. (Respondent), effective upon service of this Order. This action is being taken based on evidence that Respondent failed to comply with the terms of her contract with the North Carolina Caring Dental Professionals Program (CDP). Respondent's CDP s contract required her to abstain from all mood altering substances, attend CDP-approved abstinence-based program of therapy, have constant contact with her Peer Support Volunteer, submit to random urine and/or blood tests and submit to additional treatment recommendations made by the CDP. Respondent missed several of the required Narcotics Anonymous meetings and failed to have regular contact with her Peer Support Volunteer. Respondent tested positive for alcohol on December 13, 2013 and the CDP withdrew advocacy December 17, 2013. It is the Board's opinion that Respondent constitutes a threat to the public health, safety and welfare. Therefore, Respondent shall immediately cease the practice of dental hygiene in North Carolina

and surrender her license and current renewal certificate pending further order of the Board.

Respondent has a right to a formal hearing before the North Carolina State Board of Dental Examiners.
