Dear Dr. Dube:

This is to inform you that the Investigative Panel of the North Carolina State Board of Dental Examiners has considered all of the information gathered as a result of our investigation into allegations that you practiced dentistry without a North Carolina dental license. This information establishes that on April 1, 2025 your license to practice dentistry expired. It is further established that between April 1, 2025 – May 2, 2025 you continued to actively practice dentistry in North Carolina without renewing your dental license. Dentists are required to renew their dental license each year on or before March 31st. When you failed to renew your license by the March deadline, your North Carolina dental license became null and void as of April 1, 2025. G.S. §90-29(a) requires that only a dentist who holds a valid license and certificate of renewal duly issued by the Board may practice dentistry in this State.

Based on the information available, it is the Panel's opinion that you violated G.S. §90-29(a), in that you continued to actively practice dentistry in North Carolina for 1 month without first obtaining a valid 2025 renewal certificate. For this reason, the Board proposes to officially reprimand you. An official reprimand would include a copy of this letter being placed in your permanent file, notification of the reprimand being sent to the National Practitioner Data Bank, and a copy of the reprimand placed on the Board's web page.

If you wish to accept the reprimand, please sign below and return this letter to the Board office. The case will then be placed on the Board's agenda for consideration. The full Board can vote to accept the reprimand, propose a Consent Order, schedule the matter for a formal hearing, or dismiss the case. If you do not wish to accept the reprimand, the Investigative Panel has the option of referring the case for a disciplinary hearing. You also have the right to request a formal hearing. You must make your request in writing and file it with the Board office within 30 days of receipt of this letter.
