---

THIS MATTER is before the North Carolina State Board of Dental Examiners [the "Board"] as authorized by N.C. Gen. Stat. § 90-41.1(b) for consideration of an Amended Consent Order in lieu of a formal administrative hearing. Respondent, Domenik William Randon, D.M.D. ["Respondent"], acknowledges that the Board has sufficient evidence to prove and establish the findings of fact and conclusions of law and to warrant the order of conditional reinstatement. Crystal S. Carlisle represented the Investigative Panel [the "IP"]. Respondent was not represented by counsel. The parties freely and voluntarily consent to the following:

## FINDINGS OF FACT

1. The Board is a body duly organized under the laws of North Carolina and is the proper party to bring this proceeding pursuant to the authority granted to it in Chapter 90 of the North Carolina General Statutes, including the Dental Practice Act and the rules and regulations of the Board.

2. Respondent was licensed to practice dentistry in North Carolina on November 16, 2018 and held license number 11237 until his license expired on March 31, 2024.

3. At all times relevant hereto, Respondent was subject to the Dental Practice Act and the Board's rules and regulations.

4. When Respondent renewed his dental license on March 15, 2021 for the 2021 season, he disclosed four (4) criminal charges that were filed against him in Mecklenburg County on December 24, 2020.

5. In October 2021, two (2) of the charges were voluntarily dismissed; however, two (2) of the charges remained pending against him, including Simple Assault and Assault on a Government Official/Employee.

6. Respondent failed to renew his dental license by March 31, 2024 because he did not have the current CPR certification required to renew his dental license by that date, and his license expired. He now has a current CPR certification which was issued on July 31, 2024 for a period of two (2) years.

7. The Board received Respondent's Reinstatement Application on August 21, 2024 where Respondent again disclosed the criminal charges.

8. A Settlement Conference was held on December 13, 2024 to determine whether the Board should reinstate Respondent's license.

9. Respondent entered into a Consent Order for the purpose of obtaining a conditional reinstatement of his dental license while two of the criminal charges remained unresolved.

10. On March 10, 2025, the IP received certified court documents regarding the disposition of the criminal charges. The charge of Simple Assault was dismissed, and Respondent entered an Alford plea to Assault on a Government Official/Employee,

was placed on supervised probation for 24 months, and was ordered to continue seeing a therapist.

11. The IP requested that Respondent meet with the North Carolina Caring Dental Professionals ("CDP") for a preliminary assessment.

12. As a result of the preliminary assessment, CDP recommended that Respondent complete an outpatient psychiatric assessment.

13. Respondent completed the outpatient psychiatric assessment and a more thorough assessment at another treatment facility.

14. On September 25, 2025, CDP informed the Board that Respondent was deemed unsafe to practice dentistry.

15. Respondent entered into a Monitoring Agreement with CDP on September 26, 2025 and also entered into a Consent Order Summary Suspension with the Board effective September 30, 2025.

16. Reports from CDP in December 2025 confirmed that Respondent is now safe to practice dentistry.

17. Respondent filed a petition to remove the Summary Suspension, and a Settlement Conference was held on February 13, 2026.

18. At the Settlement Conference, CDP advocated for Respondent to return to the practice of dentistry provided he remains compliant with the CDP Monitoring Agreement.

Based upon the foregoing Findings of Fact and with the consent of the parties hereto, the Hearing Panel enters the following:

## CONCLUSIONS OF LAW

1. The Board has jurisdiction over the subject matter of this action and over Respondent.

2. Respondent was properly notified of this matter and has consented to the entry of this Amended Consent Order.

3. Respondent has demonstrated that the summary suspension of his dental license can be stayed, and he can resume practice in North Carolina, provided he fully complies with certain conditions to ensure protection of the public.

4. The Board is authorized by N.C. Gen. Stat. § 90-41.1(b) to enter any consent order relative to the discipline, censure, or probation of an applicant for reinstatement of a license in lieu of a formal administrative hearing.

## CONDITIONAL ORDER OF REINSTATEMENT

1. License number 11237 issued to Respondent for the practice of dentistry in North Carolina is conditionally reinstated, provided Respondent remains compliant with all of the conditions set forth in Paragraph 2 of this Amended Consent Order of Conditional Reinstatement.

2. Respondent shall:

   (a) not violate any provision of the Dental Practice Act or the Board's rules and regulations;

   (b) neither direct nor permit any of his employees to violate any provision of the Dental Practice Act or the Board's regulations;

(c) permit the Board or its agents to inspect and observe his office, conduct a random review of patient treatment records, and interview employers, employees, and coworkers at any time during normal office hours and at the Board's sole discretion.

(d) respond to requests for inspections or interviews promptly, and on the same day as the request, and fully cooperate with the Board or its agent and during all inspections and interviews;

(e) remain engaged with CDP and fully abide by all terms and conditions of his CDP Monitoring Agreement and any addenda or succeeding agreements with CDP until he has fully complied and completed all of CDP's requirements and CDP advocates for any modifications;

(f) sign all necessary releases authorizing CDP to provide information to the Board concerning participation and compliance with CDP and not revoke any such releases while this or another Consent Order with the Board remains in effect. Respondent's revocation of any releases authorizing CDP to provide information to the Board would constitute a violation of the Consent Order and warrant activating suspension of his dental license;

(g) comply with the recommendations of CDP and any treatment providers regarding his return to the practice of dentistry; and

(h) inform the Board immediately upon any change of employment.

3. Respondent recognizes that the conditions, limitations, or requirements set forth in this Consent Order may present him with certain practical difficulties. The Board concludes that each one is necessary to ensure public protection and it does not intend to modify or eliminate any of the conditions, limitations, or requirements set forth herein based on such potential difficulties.

4. If Respondent fails to comply with any provision of this Consent Order or breaches any term or condition thereof, the Board shall promptly schedule a public Show Cause Hearing to allow Respondent an opportunity to show cause as to why Respondent's license shall not be disciplined for violating a valid order of the Board. If after the Show Cause Hearing, the Board is satisfied that Respondent failed to comply or breached any term or condition of this Consent Order, the Board shall revoke the conditional reinstatement of his license and may enter such discipline or conditions as the evidence warrants, including summarily suspending his license, for proven violations of the Dental Practice Act or of the Board's rules occurring after entry of this Consent Order of Conditional Reinstatement.

5. This Consent Order and the provisions contained herein shall be effective upon entry.

6. The Board shall retain jurisdiction of this matter and Respondent to enforce the provisions herein or enter orders as necessary in the future.

This the 12th day of March 2026.
