BEFORE THE NORTH CAROLINA STATE BOARD OF DENTAL EXAMINERS

IN THE MATTER OF: DOMENIK WILLIAM RANDON, D.M.D. (License No. 11237)	)	**CONSENT ORDER SUMMARILY SUSPENDING LICENSE**

Pursuant to G.S. 150B-3(c), the North Carolina State Board of Dental Examiners ["Board"] Hearing Panel finds that the public health, safety, and welfare requires prompt action and hereby summarily suspends the license to Domenik William Randon, D.M.D. ["Respondent"], with his agreement and effective upon entry of this Consent Order.

This action is being taken based on evidence and information obtained during a Board investigation. On February 26, 2025, the Board entered a Consent Order of Conditional Reinstatement involving Respondent. As a follow up to the Consent Order, Respondent has participated in and cooperated with the Caring Dental Professionals ["CDP"] program, including signing an Evaluation Agreement. Consistent with that Agreement and a recently concluded comprehensive evaluation, CDP reported to the Board on September 25, 2025, that Respondent currently is not safe to practice dentistry.

The Board's Investigative Panel has concluded a preliminary review and investigation and has reached an agreement with Respondent to summarily suspend his dental license pending further proceedings or a consent resolution of this matter. By entering this Consent Order, Respondent acknowledges the information provided to the Board requiring it to take immediate action but does not admit any violation of the Dental Practice Act or the Board's regulations.

Pursuant to this agreement and Consent Order, Respondent shall not engage in the practice of dentistry. Respondent acknowledges that if the Board demonstrates that he engages in the practice of dentistry after entry of this Consent Order of Summary Suspension, such actions would be treated as a violation of G.S. 150B-41(b) for practicing dentistry while his license is suspended.

The Board's summary suspension is not a Final Agency Decision concerning whether Respondent ultimately is safe to practice, committed any violations of the Dental Practice Act or the Board's regulations, or concerning potential disciplinary action against Respondent's dental license. The summary suspension shall remain in effect until the Board enters a further Consent Order or enters a Final Agency Decision after a formal, contested case hearing ["Hearing"].

This the 30th day of September, 2025.
