BEFORE THE NORTH CAROLINA STATE BOARD OF DENTAL EXAMINERS

IN THE MATTER OF: DOMENIK WILLIAM RANDON, D.M.D. (License No. 11237)	)	**CONSENT ORDER OF CONDITIONAL REINSTATEMENT**

THIS MATTER is before the North Carolina State Board of Dental Examiners [the "Board"] as authorized by N.C. Gen. Stat. § 90-41.1(b) for consideration of a Consent Order in lieu of a formal administrative hearing. Respondent, Domenik William Randon, D.M.D. ["Respondent"], acknowledges that the Board has sufficient evidence to prove and establish the findings of fact and conclusions of law and to warrant the order of conditional reinstatement. Crystal S. Carlisle represented the Investigative Panel [the "IP"]. Respondent was not represented by counsel. The parties freely and voluntarily consent to the following:

FINDINGS OF FACT

1. The Board is a body duly organized under the laws of North Carolina and is the proper party to bring this proceeding pursuant to the authority granted to it in Chapter 90 of the North Carolina General Statutes, including the Dental Practice Act and the rules and regulations of the Board.

2. Respondent was licensed to practice dentistry in North Carolina on November 16, 2018 and held license number 11237 until his license expired on March 31, 2024.

3. At all times relevant hereto, Respondent was subject to the Dental Practice Act and the Board's rules and regulations.

4. When Respondent renewed his dental license on March 15, 2021 for the 2021 season, he disclosed four (4) criminal charges that were filed against him in Mecklenburg County on December 24, 2020.

5. In October 2021, two (2) of the charges were voluntarily dismissed; however, two (2) of the charges remain pending against him, including Simple Assault and Assault on a Government Official/Employee ["Pending Criminal Charges"].

6. The next court date for the two (2) Pending Criminal Charges is scheduled for January 13, 2025.

7. Respondent failed to renew his dental license by March 31, 2024, and his license expired on that date.

8. The Board received Respondent's Reinstatement Application on August 21, 2024 where Respondent again disclosed the Pending Criminal Charges.

9. A Settlement Conference was held on December 13, 2024 to determine whether the Board should reinstate Respondent's license.

10. At the Settlement Conference, Respondent asserted, for the first time, that the charge of Simple Assault was filed against him erroneously because he was not the perpetrator of the crime. Respondent further asserted that the subsequent charge of Assault on a Government Official/Employee stemmed from a false arrest because he matched the description of the actual perpetrator. Respondent did not include these assertions when he disclosed the Pending Criminal Charges on his renewal applications for 2021, 2022, or 2023 or in his reinstatement application in 2024.

11. Respondent also stated that he had allowed his dental license to lapse because he did not have the current CPR certification required to renew his dental license by March 31, 2024. Respondent now has a current CPR certification which was issued on July 31, 2024 for a period of two (2) years.

12. Respondent desires to enter into this Consent Order for the purpose of obtaining a conditional reinstatement of his dental license while the Pending Criminal Charges are unresolved.

Based upon the foregoing Findings of Fact and with the consent of the parties hereto, the Hearing Panel enters the following:

CONCLUSIONS OF LAW

1. The Board has jurisdiction over the subject matter of this action and over Respondent.

2. Respondent was properly notified of this matter and has consented to the entry of this Consent Order.

3. The alleged conduct that is the basis for the Pending Criminal Charges would constitute unprofessional conduct and violate N.C. Gen. Stat. § 90(a)(26) and 21 NCAC 16V .0101(3), if Respondent is convicted or enters a plea of guilty or nolo contender to the Pending Criminal Charges.

4. The Board is authorized by N.C. Gen. Stat. § 90-41.1(b) to enter any consent order relative to the discipline, censure, or probation of an applicant for reinstatement of a license in lieu of a formal administrative hearing.

CONDITIONAL ORDER OF REINSTATEMENT

1. License number 11237 issued to Respondent for the practice of dentistry in North Carolina is conditionally reinstated, provided Respondent submits monthly reports to the Board regarding the status of the Pending Criminal Charges until they have been resolved and provides a certified copy of the documentation demonstrating the resolution of the Pending Criminal Charges within 10 business days after they are decided or dismissed by the Court. Reports must be submitted by email to bsines@ncdentalboard.org by the last day of each month, beginning January 31, 2025 and the certified copy shall be sent to the Board's mailing address.

2. If the Pending Criminal Charges against Respondent have not been resolved by June 30, 2025, Respondent shall appear before the Board's Hearing Panel at another Settlement Conference.

3. Respondent understands that the Board may impose disciplinary action if he is convicted or enters a plea of guilty or nolo contendere to the Pending Criminal Charges.

4. Respondent recognizes that the conditions, limitations, or requirements set forth in this Consent Order may present him with certain practical difficulties. The Board concludes that each one is necessary to ensure public protection and it does not intend to modify or eliminate any of the conditions, limitations, or requirements set forth herein based on such potential difficulties.

5. If Respondent fails to comply with any provision of this Consent Order or breaches any term or condition thereof, the Board shall promptly schedule a public Show Cause Hearing to allow Respondent an opportunity to show cause as to why

Respondent's license shall not be disciplined for violating a valid order of the Board. If after the Show Cause Hearing, the Board is satisfied that Respondent failed to comply or breached any term or condition of this Consent Order, the Board shall revoke the conditional reinstatement of his license and may enter such discipline or conditions as the evidence warrants for proven violations of the Dental Practice Act or of the Board's rules occurring after entry of this Consent Order of Conditional Reinstatement.

6. This Consent Order and the provisions contained herein shall be effective upon entry.

7. The Board shall retain jurisdiction of this matter and Respondent to enforce the provisions herein or enter orders as necessary in the future.

This the 26th day of February 2025.
