**NOTICE**

Rule 0401(b)(4) requires you to have verification from the Drug Enforcement Agency verifying your DEA license; however, we have determined that the DEA office does not have any additional information. Therefore, you are asked to answer question number 29 of the Credentialing Application and submit a copy of your DEA license along with any other pertinent information. You DO NOT need to request verification from the DEA office.

It is your responsibility to review the rules and determine if you qualify for licensure by credentials BEFORE submitting an application. Certain types of criminal history may result in a denial of a license by credentials. Please understand that once your application is received and the application process begins the credentialing fee is NON-REFUNDABLE!!

Incomplete applications will not be accepted and will be returned to you. You will be charged a $10.00 processing fee if your application has to be returned.

Once our office receives your application, you will receive notification of receipt along with information for accessing the North Carolina Dental Laws and a resource list for sterilization/infection control that will assist you in preparing for the written tests. This memorandum will inform you of how to access the tests which are given online. The application process takes 90 days. It is not necessary to contact the Board office to check on the status of your application!! CALLS TO THE BOARD OFFICE WILL DELAY APPLICATION PROCESSING.

North Carolina requires that your current licensing board(s) have investigated and found no violations in any and all instances that resulted in a report to the National Practitioner Data Bank. If your licensing board(s) has not investigated and cleared you in an incident giving rise to a National Practitioner Data Bank report, you will not be eligible for licensure by credentials in North Carolina. This is true even in those incidents that result in the settlement of a claim without your permission or knowledge.

Please Note!!!
The Board’s rules change constantly. While every effort is made to keep rules and statutes up to date in this and other documents, always check for the latest version of the Board’s rules directly from the Office of Administrative Hearings’ website. A link to their page may be found on our website on the “Rules and Laws” page.
